

SLP-chosen for you, from the Nicespeechlady.com library SPEECH PATHOLOGY PATIENT: _____

SPEECH PATHOLOGIST: _____

SPECIAL INSTRUCTIONS: _____

_____ DATE: _____

I have trouble communicating.

These things will help us:

- Ask me short questions that I can answer with a “yes” or a “no.”
- I may need to use my communication device in order to answer some of your questions. Please give me time. I will need patience from you – for me to formulate my message.

Thank you.
