HANDOUT-ABLE- Consistency Recommendation Communication Slip Options

Communication in a facility or to patients/families about specific consistencies and recommendations on strategies can be more effective if conducted in writing. This specific Nice Speech Lady resource attempts to achieve the goal of benefitting such communication.

In this resource, various versions of consistency recommendation communications slips are available as options such as:

- International Dysphagia Diet Standardisation Initiative* (IDDSI)-specific choices
- Blank sections for facility-specific consistency labels
