

**Nice Speech Lady ASSESSMENT AIDE: Pediatric/Adolescent Intake Tools & Beyond**

Sometimes, medical SLPs who focus on providing speech services to adults may find themselves in situations where a pediatric or adolescent patient referral is received. Other adult patients may benefit from some of these tools, depending upon the situation.

This form provides printable mechanisms for the following, during the intake process (associated pages referenced):

- Nice Speech Lady ASSESSMENT AIDE: Pediatric/Adolescent Case History Tool (pages 2-6)
- Nice Speech Lady ASSESSMENT AIDE: Adolescent/Other-Age Group PROM, Caregiver/Educator (page 7)
- Nice Speech Lady ASSESSMENT AIDE: Adolescent/Other Age-Group PROM (page 8)
- Nice Speech Lady RE-ASSESSMENT AIDE: Adolescent/Other-Age Group PROM, Caregiver/Educator (pages 9-10)
- Nice Speech Lady RE-ASSESSMENT AIDE: Adolescent/Other Age-Group PROM (pages 11-12)
- ASSESSMENT-AIDE Quick-Reference Guide for PROMs (page 13)

Due to the various pediatric/adolescent/other-age group choices in this assessment aide set document, clinicians can choose to print each form individually through printer setting preferences.

Nice Speech Lady ASSESSMENT AIDE: Pediatric/Adolescent Case History Tool, page 1

Child's Name: _____ DOB: _____ Age: _____

PEDIATRIC INTAKE

Your name/role in the child's life:

Address:

Phone number:

Your email:

Alternate contact person/info:

Preference for appointment reminders (please circle): TEXT vs. RECORDED PHONE CALLS

Why was your child referred for a speech evaluation?

Past medical history/major diagnoses:

History of previous SLP services:

Please explain:

The previous focus –

The previous types of tasks that were helpful –

The previous results –

The length of time in therapy (number of months/years) –

The frequency (how many times a week) --

Siblings:

How many/other family information:

Primary language at home?

Other languages in the patient's circle, and extent:

Nice Speech Lady ASSESSMENT AIDE: Pediatric/Adolescent Case History Tool, page 2

Biggest concern/need:

Has your child been evaluated by other professionals (occupational therapist, physical therapist, psychologist, medical specialists such as psychiatry, ENT, GI, neurology, etc.)?

Yes

No

Details/concerns:

Please describe the pregnancy and birth processes (including any complications, etc.):

Other:

Please list the details if your child has been diagnosed with any medical conditions.

Please list any accidents, illnesses, surgeries, or other factors.

Please list any suspected conditions that have not been diagnosed.

Has your child had any ear infections? If so, how many?

Please list any medications your child currently takes (or has a history of taking).

Nice Speech Lady ASSESSMENT AIDE: Pediatric/Adolescent Case History Tool, page 3

Please describe your child’s communication skills:

How much of your child’s speech do you understand?

From a 0% to 100% range, in general (please circle):

0% 10% 20% 40% 50% 60% 70% 80% 90% 100%

What is the most prominent issue you see in understanding their speech articulation?

How much of your child’s speech do others understand?

From a 0% to 100% range, in general (please circle):

0% 10% 20% 40% 50% 60% 70% 80% 90% 100%

What is the most prominent comment you hear from others on understanding your child’s speech?

Date of last physical examination:

Details:

Date of last vision screening or full vision examination (circle one, please)

Results:

Date of last hearing screening or full audiological evaluation (circle one, please)

Results:

School info:

Name/Address:

Grade currently in:

School challenges that you observe:

Positives the school is implementing:

Your child’s strengths at school:

Did your child attend Pre-K?

Speech or other services presently offered in school:

Nice Speech Lady ASSESSMENT AIDE: Pediatric/Adolescent Case History Tool, page 4

If your child is in school, are there any concerns about academic performance (e.g., reading, writing, different subject areas)?

- Yes
- Maybe
- No
- Other details:

How does your child feel about school?

Please describe current reading/writing skills:

- Age your child began to:
- Sit:
- Walk:
- Run:
- Age for speaking a first word:
- Age of starting to put words together:
- Start using sentences:
- Other comments about development, thus far:

How does your child operate at school (strengths/challenges):

Does your child demonstrate frustration when not understood? Yes No (please circle)

If yes –

Frustration is displayed on a 1-10 scale with 10 “being the most frustration possible”:
(please circle)

1 2 3 4 5 6 7 8 9 10

How often this tends to occur:

Other details:

Does your child engage in eye contact during communication?

Yes Sometimes No

Please describe the importance of eye contact in your family culture:

When given choices, does your child prefer to play (circle one)

Alone Others Combination Other

Details:

Nice Speech Lady ASSESSMENT AIDE: Pediatric/Adolescent Case History Tool, page 5

Your goals for your child:

In general, I would like my child – within 3 months – to: _____

In general, I would like my child – within 1 year to: _____

Specific to speech concerns, I would like my child – within 3 months to: _____

In general, I would like my child – within 1 year – to: _____

Positives currently in place – to help your child achieve goals:

Requests in how the therapy could be conducted (to support making the experience effective for your child/the home environment)?

What are some of your child’s favorite activities, subjects, and interests?

Preference for treatment (circle) In-person Virtual Combination

Willingness for home practice tasks (circle) None Low Medium High

Other thoughts about the idea of home practice tasks: _____

Preference for home practice tasks (circle) paper documents videos other _____

Preference for frequency of visits for treatment _____

Other preferences: _____

Is there anything else important to add that was not asked about? _____

Thank you for filling out this form.
